

YEAR IN REVIEW 2019

BostonOrganics.com

Certified

6+
years as a Certified
B Corporation

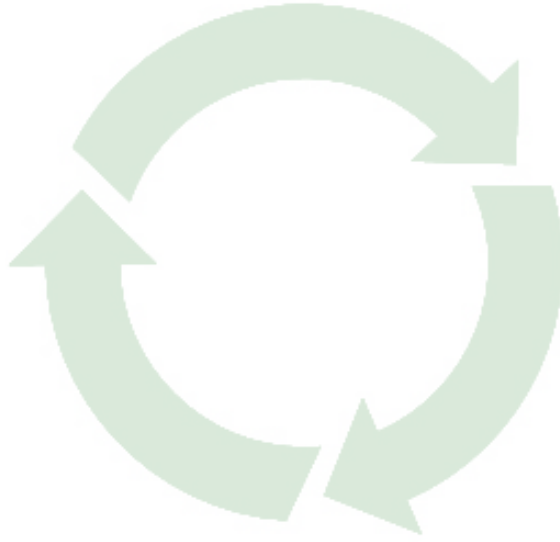

100%
of our produce is
USDA Certified organic
and non-GMO

FOOD FOR FREE

31,774 lbs
produce donated
to Food For Free. Produce
is distributed to local
communities in need.

BLACK EARTH COMPOST
9,600 lbs
produce composted
of leftover produce diverted from
land fill and composted with
Black Earth Compost.

72.5%

of our food related purchases went to local and independent businesses including farms, suppliers, and artisanal producers.
Did you know for every \$100 you spend on a local business, \$68 will stay within the community?

111 non-profits, schools, and organizations supported

by Boston Organics donations. Organizations like Haley House, Oxfam, Volocity Foundation, American Heart Association, and Essem Art Studio!

133 boxes donated by the BO community

This translates into a total donation of 5,932 lbs of locally sourced produce donated to the Greater Boston Food Bank. During Thanksgiving, we make it easy for our customers to give back to the local community. A huge 'Thank You' to **Nature's Circle Farm (ME)**, **Winter Moon Roots (MA)**, and **Brookford Farm (NH)** who supplied and contributed their own donations of beets, potatoes, onions, radishes, and cabbage.

11,959 bunches
of local greens delivered

308,050 lbs
of bananas delivered

848 pizzas
made by our customers

80 new add-on items
added. Including CBD oil, dog
treats, and cookie dough

Ginger tea
was our customers' favorite tea

**Dark chocolate
caramel crunch**
was our customers' favorite
chocolate
